Automated Email Reminders

1. Removal from the email list

- 1.1 ITC provides a reminder service to learners and Centres/Assessors. We contact these individuals by the email address provided during the learner or Centre registration process.
- 1.2 Reminders are provided to assist learners. ITC First deem this as *legitimate interests* under the terms of the General Data Protection Regulation (**GDPR**). Assessors of First Aid must hold a current First Aid at Work qualification and hence the reminder serves to enable them to remain compliant with national standards.
- 1.3 Learners may wish to opt-out of these emails. To be removed from ITC email lists please use the following link to contact ITC, add a brief note and we will **remove your email address** from our mailing.

2. List and purpose of automated email service

2.1 Learner requalification reminders

These are sent to learners who have entered their details on ITC learner registration documents on the following basis.

- a) Annual Basic Skill Refresher (BSR) reminders every year for 2 years after learner certification.
- b) All first aid certificate reminders 3 years from learner certification.

2.2 Learner evaluation requests from the ITC Office

- a) Evaluation forms are automatically sent to each learner when certificates are produced. This 'second email confirms authenticity of original evaluation and gives an opportunity for considered reflection from the learner.
