

Evaluation Form comments from a 16 hour Outdoor First Aid qualification course delivered at a venue in Edinburgh

First name	Comment
Neil	<i>"Far better than expected"</i>
Suzanne	<i>"Confidently and professionally delivered"</i>
Sion	<i>"Thanks to Paul for running an excellent course. This was not dull or condescending and I thoroughly enjoyed the experience. Thanks again"</i>
Andrew	<i>"This is a very good course, it appeared to have appropriate content and because of the tutors knowledge, skills and evident teaching expertise it was the best first aid course I have attended, the practical element was good, perhaps even more outdoor content given the nature of the course. The course is long, 8 hours for each day is a lot for candidates and the tutor. The slides used to support the sessions were very well prepared. All of the equipment and resources were excellent. I thought the venue was good and perhaps better than the one originally planned".</i>
