1. General Information

1.1 Using this document

This document has been developed to provide guidance for Centre staff involved in the delivery of the ITC Level 3 Award in Paediatric First Aid.

It explains the administration, assessment and quality assurance requirements for these qualifications.

It directs ITC Centres to appropriate and relevant ITC resources [see contents page].

It identifies and lists other ITC documents that Centres are required to have in order to deliver ITC First qualifications.

1.2 Documented Procedures

ITC is a regulated Awarding Organisation supporting regulated qualifications. All who work with ITC are supported by a documented framework of policies and procedures updated regularly on the ITC website. To seek policy guidance to inform your relationship with ITC visit:

<https://www.itcfirst.org.uk/policies/policies/1.htm>

If you are a Centre, log into your ITC Web Office and view or download up to date documents from Support Resources.

2. Qualification Details

This qualification is regulated in England and Wales by the external regulator of qualifications – Ofqual.

2.1 Qualification Objectives

This qualification indicates an individual can undertake the role of Paediatric First Aider in a role that has responsibility for the welfare of infants and children. The award has been designed to fulfil the need for effective paediatric first aid training set out in The Early Years Foundation Stage Guidance. It may also have been identified as necessary by a workplace risk assessment.

The qualification will benefit all who work in the early years environment and with pre-puberty children.

2.2 Learner Entry Requirements for this Qualification

a) Previous qualification requirements for learners for this qualification

None.

However learners should receive pre-course information that informs them that they will be participating in an active course that involves some kneeling, rolling, lying on the floor and touching of others.

b) Prior knowledge, skills or understanding which the learner is required to have before taking the qualification

None.

c) Units which a learner must have completed before the qualification will be awarded including any optional routes

There is no requirement to have completed any units previously.

d) Other requirements for a learner to satisfy prior to assessment or awarding

None.

2.3 Qualification Structure

To meet the requirements of the qualification the learner must achieve the two mandatory units required for this qualification:

Unit title + reference number	Qualification title
Emergency Paediatric First Aid Y/617/3908	ITC Level 3 Award in Paediatric First Aid
Unit title + reference number	Qualification number
Managing Paediatric Illness, Injuries and Emergencies R/617/3910	601/3327/2

The two mandatory units must be completed in order for the qualification to be achieved.

Unit Review date – 01 April 2027

Unit title: Emergency Paediatric First Aid
 Unit number: Y/617/3908
 Unit level: 3

6	Know how to provide first aid to an infant or a child who has sustained an electric shock.
7	Know how to provide first aid to an infant or a child with burns and scalds.
8	Know how to provide first aid to an infant or a child with suspected poisoning.
9	Be able to provide first aid to an infant or a child with anaphylaxis.

2.5 Awarding

After the assessment, the evidence of achievement will be forwarded to ITC.

A list of outcomes [Pass/Not yet meeting standard] will be confirmed by ITC.

The assessment result is pass, or not yet meeting standard, there is no grading.

ITC will award certificates according to the timescales in ITC Customer Charter. Awarding can only occur within the qualification lifespan.

Unit certificates may be awarded upon learner request for any unit completed and passed.

Replacement Certificates are available. Learners must apply using certificate request form 05. There is a small fee payable.

2.6 Age of Learners

The qualification is appropriate for learners of:

- a) 16-18 years.
- b) 19 years or older.

3. Centre Approval to Deliver ITC Qualifications

3.1 Centre Approval Documents

Centres wishing to offer the ITC qualifications will need to complete:

- a) [Digital Centre application form](#)
- b) Binding centre agreement – C9.

Centres will need to consider:

- a) Sufficient resources for the delivery of the qualification – physical and staffing.
- b) Learner access to sufficient resources for the award – learning centre, visual aids, course manuals and mentor.
- c) Quality assurance procedures – internal assessment and internal moderation or verification.

3.2 Teaching Programme

The teaching programme is delivered according to guidance in the Assessment Principles for Regulated First Aid Qualifications:

- a) Regulated first aid qualifications must not exceed an assessor : learner ratio of 1:12.
- b) The minimum guided learning hours value is 12 hours, the DfE have stated that the minimum course duration for this qualification is at least 12 hours [excluding breaks].
- c) This qualification must be delivered within 6 weeks and the minimum duration of each teaching session is 2 hours.

The content of the teaching programme is the responsibility of the Centre and is developed by the staff team of the Centre. ITC has guidance and advice documents to assist in the development of a teaching programme that can be supplied to Centres upon request.

The course programme is developed from the learning outcomes and assessment criteria for the qualification. A Centre scheme of work containing lesson plans for each session is to be available for scrutiny by ITC External Quality Assurance activity.

3.3 Internal Quality Assurance (IQA) of Training Delivery

The Internal Quality Assurance of this qualification is to be completed by a suitably qualified person as described in the Assessment Principles for Regulated First Aid Qualifications.

The entire learner journey should be quality assured including both training delivery and assessment.

The Centre must employ different methods of monitoring such as observation, sampling, learner interview and maintain evidence of all meetings, CPD events, standardisation activity in a Central File readily accessible at any time by an ITC representative. ITC has various assessment and moderation template documents available to assist all Centres. See appendices of this document.

Each tutor must benefit from a monitoring visit whilst they are delivering and assessing at least once year.

There should be an agreed quality assurance plan that monitors the skills of tutors, with evidence of standardisation maintained for external moderation.

The quality assurance plan should describe the internal quality assurance procedures and the evidence to be maintained for external quality assurance.

All Internal Quality Assurance documents and evidence must be archived on the ITC Web Office making it available for desk based External Quality Assurance.

3.4 Learner Evaluation

An end of course evaluation form is to be completed by each learner and the data collected used to inform Centre quality procedures. The results of this evaluation review are to be available for scrutiny by ITC External Quality Assurance procedures.

3.5 Protecting the Interests of Learners

Centres will protect the interests of learners and the integrity of the qualification by implementing a coherent series of documents policies and procedures. ITC can provide various template documents upon request.

Access to a Centre complaints and appeals policy is to be provided for every learner upon registration.

3.6 Centre Resources

Centres must have the following resources in place:

- a) At least one CPR manikin for every four learners, but we recommend a ratio of one for every two learners.
- b) At least one AED trainer for every four learners, but we recommend a ratio of one per CPR manikin.
- c) At least one 'trainer device' adrenaline auto-injector (ideally one of each of the brands licenced in the UK) for every four learners, but we recommend a ratio of one for every two learners.
- d) Hygiene procedures for ensuring the safety of all learners, e.g. manikin face per learner or sterilisation procedure if shared, replacement airway/lung procedure.
- e) Minimum of one wound dressing and we would recommend one pair of nitrile/vinyl gloves per learner.
- f) Training venues suitable for learners lying and kneeling simultaneously, e.g. carpets or protective kneeling mats.
- g) Learners must be issued with a course manual/handout that is approved by a registered healthcare professional. We would recommend that the learner is encouraged to take this away with them.
- h) Learners taking part in a Blended Learning course must be supplied with electronic content that is approved by a registered healthcare professional. This content should cover the detailed qualification content set out in the A5.8 Qualification Assessment

Programme. The content and style of delivery must be approved by the ITC Centre and evidenced as having been verified as having been considered to be effective.

4. Centre Staffing

4.1 Tutor Credentials

Introduction

Most Centres are anticipated to employ staff who are both tutors and assessors of the qualification.

ITC First require Centres to identify:

- a) A nominated individual to lead the qualification delivery team in the Centre.
- b) Tutors with a teaching and occupational competency.
- c) Internal quality assurance staff who are competent at moderation/verification. Evidence of competence is provided either by holding Level 4 Award in Internal Quality Assurance of Assessment Processes and Practice or equivalent - see appendices for a list of acceptable qualifications.

Individual requirements

Centres are expected to have an appropriate number of suitable tutors with:

- a) Teaching / assessing experience who hold a teaching qualification:
 - i. Level 3 Award in Education and Training or equivalent or above.
 - ii. See appendices for a list of acceptable qualifications.
- b) Occupational area qualification:
 - i. Holding a current First Aid at Work qualification certificate (Centre of Ofqual, SQA Accreditation, Qualifications Wales regulated Awarding Organisation/Body).
 - ii. Holding a current Offshore First Aid certificate (HSE approved training provider).
 - iii. Current registration as a Doctor (with GMC), Nurse (with NMC), or Paramedic (with HCPC).
- c) Subject specific requirements:
 - i. Have held a Level 3 Award in Paediatric First Aid certificate (or equivalent).
- d) Portfolio logbooks must be maintained:
 - i. Training Log normally showing at least 6 hours of training in the last six months and 36 hours of training in the last three years.
 - ii. Continuous Professional Development Log showing at least 6 hours of CPD per year.

There must be evidence of meeting these requirements on the ITC Web Office for ITC/Regulators to view.

4.2 Assessor Credentials

Individual requirements

Centres are expected to have an appropriate number of suitable assessors with:

- a) Assessing experience and who hold an acceptable assessing qualification:
 - i. Assessor Award or equivalent.
 - ii. Experienced Assessor who has attended an Awarding Body CPD event.
 - iii. See appendix 2 for a list of acceptable assessing qualifications.
- b) Occupational area qualification:
 - i. Holding a current First Aid at Work qualification certificate (Centre of Ofqual, SQA Accreditation, Qualifications Wales regulated Awarding Organisation/Body).
 - ii. Holding a current Offshore First Aid certificate (HSE approved training provider).

- iii. Current registration as a Doctor (with GMC), Nurse (with NMC), or Paramedic (with HCPC).
- c) Subject specific requirements:
 - i. Have held a Level 3 Award in Paediatric First Aid certificate (or equivalent).
- d) Portfolio logbooks must be maintained:
 - i. Training Log normally showing at least 6 hours of assessing in the last six months and 36 hours of assessing in the last three years.
 - ii. Continuous Professional Development Log showing at least 6 hours of CPD per year.

There must be evidence of meeting these requirements on the ITC Web Office for ITC/Regulators to view.

4.3 Internal Quality Assurer Credentials

Individual requirements

Centres are expected to have an appropriate number of suitable internal quality assurers with:

- a) Internal Quality Assurance experience who hold an acceptable internal quality assurance qualification:
 - i. Internal Quality Assurance Award or equivalent.
 - ii. Experienced Internal Quality Assurer who has attended an Awarding Body CPD event.
 - iii. See appendix 3 for a list of acceptable internal quality assurance qualifications.
- b) Occupational area qualification:
 - i. Holding a current First Aid at Work qualification certificate (Centre of Ofqual, SQA Accreditation, Qualifications Wales regulated Awarding Organisation).
 - ii. Holding a current Offshore First Aid certificate (HSE approved training provider).
 - iii. Current registration as a Doctor (with GMC), Nurse (with NMC), or Paramedic (with HCPC).
- c) Portfolio logbooks must be maintained:
 - i. Training/Assessing/IQA Log.
 - ii. Continuous Professional Development Log.

There must be evidence of meeting these requirements on the ITC Web Office for ITC/Regulators to view.

Internal Quality Assurance requires the nominated individuals to have:

- a) Current knowledge of the requirements of the qualification they are quality assuring.
- b) Knowledge and understanding of the role of assessors.
- c) Monitor all teaching and assessing staff regularly - minimum 6 hours annually.
- d) Perform or lead other IQA activity e.g. Deliver/organise standardisation events, develop and maintain sampling plans.

5. Learner Registration

5.1 Selection of Learners

There are no prerequisite entry requirements for this qualification.

Prospective learners are to be advised that they should have literacy and numeracy competency appropriate for the qualification.

It is the responsibility of the Centre to provide guidance and advice to learners prior to the commencement of the programme.

Each Centre should have and implement, a reasonable adjustment and special consideration policy.

5.2 Information to Learners

Pre-course information should be provided to learners containing:

- a) Joining details.
- b) ID requirements.
- c) Expectations of course members, including taking part in supporting and transporting loads.
- d) Outline of assessment methods.
- e) Link to ITC policies and procedures on homepage of ITC website, including Appeals (P5) and Complaints (P16) procedures.
- f) Information on how to request reasonable adjustment to assessment so that learners have a fair assessment opportunity.
- g) Contact details for the Centre.

5.3 Registration of Learners

Centres must meet the following requirements:

- a) Learners must be registered with ITC within 10 working days of course completion date.
- b) Learner registration details must be entered into ITC Web Office database.
- c) Centres must have procedures in place to confirm the identity of each Learner before they undertake an assessment.

5.4 Learner Identity

Learners must be informed of the requirement to bring suitable identification to the training course [and assessment if not assessed on the day of the course].

5.5 Learner Progression

- Level 3 Award in Emergency First Aid at Work
- Level 3 Award in First Aid at Work.

6. Assessment

6.1 Assessment of the Unit

- Skills and knowledge are assessed in this unit.
- Evidence of meeting each assessment criteria is required.

The assessment evidence is generated by practical observation and learner questioning throughout the course by the assessor.

6.2 Assessment Tasks

Skills and knowledge

- a) The skills and knowledge of each learner are continuously assessed by practical observation and learner questioning throughout the course by the assessor.
- b) Learners must perform all the **practical** techniques described in the learning outcomes for this unit to pass.
- c) Simulation is permitted.

6.3 Internal Assessment

Centres must have verification/moderation systems to ensure all assessment evidence is authentic, reliable, valid and sufficient and standardisation systems to ensure all staff can make consistent and fair assessment decisions.

Practical competency is to be recorded by the Internal Assessor on the ITC A1 assessment plans produced by ITC or similar Centre generated document approved by ITC External Quality Assurer.

Assessment results are to be recorded upon ITC A1 documents or similar Centre generated documents approved by the ITC External Quality Assurer.

To assist in collecting authentic, reliable, valid and sufficient evidence, ITC has developed and is continually updating evidence recording documents. The updated version will always be available from Support Resources on the Centre Web Office. Including:

- A1.81 EPFA Assessment Plan
- A1.82 MPIIE Assessment Plan
- A8.81 EPFA Assessment Protocols
- A8.82 MPIIE Assessment Protocols
- A4.8 PFA Qualification Assessment Guidance
- A5.8 PFA Qualification Assessment Programme

If learners do not meet the standard the Centre will make arrangements to allow the learner a referral opportunity. This must be completed within 6 weeks of the original course start date.

If the referral is not passed, then the learner will have to redo the whole training course and undergo the full assessment again.

6.4 Internal Quality Assurance of Assessment

Assignment evidence is to be internally quality assured following ITC centrally produced procedures [Appendix document listing of this document] or procedures agreed with ITC External Quality Assurance.

To assist Centres in this function the following documents are available on the Centre Web Office.

- A1.81 EPFA Assessment Plan
- A1.82 MPIIE Assessment Plan
- FAAAS First Aid Assessor Annual Summary
- PR6 Annual Review of Tutor/Assessor (Appraisal & Verification Evidence)
- IQA1: Internal Quality Assurance Process
- IQA2: Centre Standardisation Records
- IQA3: Internal Quality Assurance Sampling Record
- IQA4: Internal Quality Assurance Sampling Report Record
- IQA5: Internal Quality Assurance Record Form.

7. Supporting Resources for Delivery

7.1 Website Support Resources List

Available via Centre Login to ITC Web Office.

8. External Quality Assurance

8.1 Procedures

Centres will be notified of proposed external quality assurance events/visits except for the regime of unannounced visits.

As well as viewing assessment procedures and judgements the visit will include:

- a) Confirmation of all policies and documented procedures after initial pre-visit desk research.
- b) A review of the evidence of Centre internal quality assurance and staff development events.
- c) A review of the evidence generated from previous external quality assurance events, including action plan evidence.
- d) A review of learner assessment evidence.
- e) Any guidance required to administer or deliver the qualification.

8.2 Visit Details

Centres will be allocated an External Quality Assurer. For each visit:

- a) The Centre will normally be notified in advance to allow time to make suitable arrangements. Normally planned at the previous external quality assurance visit.
- b) The agenda for the meeting will be forwarded to the Centre.
- c) The meeting will occur on the planned date.
- d) Preliminary action plans will be drafted for agreement and review at the time of the Centre visit.
- e) Action Plan evidence will be generated according to the specified timescale by the Centre and approved or referred by ITC.
- f) Risk rating will be applied to each Centre.

Centre visits will usually be planned to coincide with qualification delivery and assessment and the ITC EQA will observe teaching, assessing, internal quality assurance activity as appropriate.

Centre visit reports will be archived on the ITC website for all Centre staff to review and meet any action plan deadlines.

Occupational Knowledge and Competence in First Aid**Appendix 1**

All trainers, assessors, internal quality assurers and external quality assurers must have occupational knowledge and competence in first aid.

This may be evidenced by:

- Holding a qualification issued by an Ofqual/SQA Accreditation/Qualifications Wales/CCEA Regulation recognised Awarding Organisation/Body (or equivalent¹) as follows:

Qualification delivered:	Minimum qualification to be held by the Trainer/Assessor/IQA/EQA: ¹
First Aid at Work or Emergency First Aid at Work	First Aid at Work
Paediatric First Aid or Emergency Paediatric First Aid	Paediatric First Aid or First Aid at Work

Or

- Current registration as a Doctor with the General Medical Council (GMC)²

Or

- Current registration as a Nurse with the Nursing and Midwifery Council (NMC)²

Or

- Current registration as a Paramedic with the Health and Care Professions Council (HCPC)².

¹if the trainer/assessor/IQA/EQA holds a non-regulated first aid qualification the awarding organisation/body should undertake due diligence to ensure current occupational knowledge and competence.

²registered healthcare professionals must act within their scope of practice and therefore have current expertise in first aid to teach/assess the subject.

Acceptable Training/Assessing Qualifications

Appendix 2

This list is **not exhaustive** but provides a guide to acceptable training and/or assessing qualifications. Trainers who also assess learner competence must hold a qualification (or separate qualifications) to enable them to perform both functions.
