# 1. General Information

## 1.1 Using this document

This document has been developed to provide guidance for Centre staff involved in the delivery of the ITC Certificate in Outdoor First Aid at SCQF Level 6.

It explains the administration, assessment and quality assurance requirements for these qualifications.

It directs ITC Centres to appropriate and relevant ITC resources [See contents page].

It identifies and lists other ITC documents that Centres are required to have in order to deliver ITC First Aid qualifications.

## 1.2 Documented Procedures

ITC is a regulated Awarding Body supporting regulated qualifications. All who work with ITC are supported by a documented framework of policies and procedures updated regularly on the ITC website. To see ITC's policies visit:

<https://www.itcfirst.org.uk/policies/policies/1.htm>

If you are a Centre, log into your ITC Web-Office and view or download up to date documents from 'Support Resources'.

# 2. Qualification Details

This ITC Certificate in Outdoor First Aid at SCQF Level 6 is part of the Scottish Credit and Qualifications Framework [SCQF].

This qualification is regulated in Scotland by the external regulator of qualifications – SQA Accreditation.

## 2.1 Qualification Objectives

This qualification indicates an individual can undertake the role of First Aider in the rural and more remote regions of the UK where professional emergency assistance may be more than 10 minutes away.

The qualification will benefit all who need to be introduced to emergency first aid in the outdoors and outdoor first aid incident management.

Successful completion of the qualification will result in knowledge and skills that have been identified by the HSE for the safe, effective and prompt treatment of emergencies in the outdoor workplace.

This qualification will satisfy the requirements of various Outdoor National Governing Bodies that require 16 hours of assessed first aid training to maintain the license to practice for their Instructor qualifications.

## 2.2 Learner Entry Requirements for this Qualification

- a) **Previous qualification requirements for Learners of this qualification**  
None.  
However learners should receive pre-course information that informs them that they will be participating in an active course that involves some kneeling, rolling, laying, touching of others and spending part of the course out of doors regardless of the weather conditions.
- b) **Prior knowledge, skills or understanding which the Learner is required to have before taking the qualification**  
None.
- c) **Units which a Learner must have completed before the qualification will be awarded including any optional routes**  
There is no requirement to have completed any units previously.
- d) **Other requirements for a Learner to satisfy prior to assessment or awarding**  
None.

## 2.3 Qualification Structure

To meet the requirements of the qualification the Learner must achieve the two mandatory units required for this qualification:

| Unit title + reference number                        |
|--|
| Emergency First Aid in the Workplace<br>UL20 04      |

| 7                            | Know how to provide first aid to a casualty with minor injuries.         |

### Unit 2: *First Aid for Outdoor Incident Management*

This unit is owned by ITC First and is available to ITC Centres upon request

## 2.5 Awarding

After the assessment, evidence of achievement will be forwarded to ITC.

A list of outcomes [Pass/Not yet meeting standard] will be confirmed by ITC.

The assessment result is pass, or not yet meeting standard, there is no grading.

ITC will award certificates according to the timescales in the ITC Customer Charter. Awarding can only occur within the qualification lifespan.

Unit certificates may be awarded upon learner request, for any unit completed and passed.

Replacement Certificates are available. Learners must apply using certificate request form 05. There is a small fee payable.

## 2.6 Age of Learners

The qualification is appropriate for learners of:

- a) 16-18 years
- b) 19 years or older.

## 3. Centre Approval to Deliver ITC Qualifications

### 3.1 Centre Approval Documents

Centres wishing to offer the ITC qualifications will need to complete:

- a) [Digital Centre application form](#)
- b) Centre agreement – C9.

Centres will need to consider:

- a) Sufficient resources for the delivery the qualification – physical and staffing
- b) Learner access to sufficient resources for the award – learning centre, visual aids, text books and mentor
- c) Quality assurance procedures – internal assessment and internal moderation or verification.

### 3.2 Teaching Programme

The teaching programme is delivered according to guidance in the Assessment Principles for Regulated First Aid Qualifications:

- a) Regulated first aid qualifications must not exceed a tutor : learner ratio of 1:12.
- b) The minimum guided learning hours value is 16 hours [excluding breaks].
- c) The notional learning hours are 20 hours.
- d) This qualification must be delivered within 9 weeks and the minimum duration of each teaching session is 2 hours.

The content of the teaching programme is the responsibility of the Centre and is developed by the staff team of the Centre. ITC has guidance, advice documents and teaching materials to assist in the development of a teaching programme that can be supplied to Centres upon request.

The course programme is developed from the learning outcomes and assessment criteria for the qualification. A Centre scheme of work containing lesson plans for each session is to be available for scrutiny by ITC External Quality Assurance activity.

### 3.3 Internal Quality Assurance

The Internal Quality Assurance of this qualification is to be completed by a suitably qualified person as described in the Assessment Principles for Regulated First Aid Qualifications.

The entire learner journey should be quality assured including both training delivery and assessment.

The Centre can employ different methods of monitoring such as observation, sampling, learner interview and must maintain evidence of all meetings, CPD events, standardisation activity in a Central File or similar readily accessible at any time by an ITC representative. ITC has various assessment and moderation template documents available to assist all Centres. See appendices of this document.

Each tutor must benefit from a monitoring visit whilst they are delivering and assessing at least once a year although it is anticipated that new tutor/assessors will require more structured professional development and support.

There should be an agreed quality assurance plan that monitors the skills of tutors, with evidence of standardisation maintained for external moderation.

The quality assurance plan should describe the internal quality assurance procedures and the evidence to be maintained for external quality assurance.

All IQA documents and evidence must be archived on the ITC website being available for desk based External Quality Assurance.

### **3.4 Learner Evaluation**

An end of course evaluation form is to be completed by each learner and the data collected used to inform Centre quality procedures. The results of this evaluation review are to be available for scrutiny by ITC External Quality Assurance procedures.

### **3.5 Protecting the Interests of Learners**

Centres will protect the interests of learners and the integrity of the qualification by implementing a coherent series of documents policies and procedures. ITC can provide various template documents upon request.

Access to a Centre complaints and appeals policy is to be provided for every learner upon registration.

### **3.6 Centre Resources**

Centres must have the following resources in place:

- a) At least one CPR manikin for every four learners, but we recommend a ratio of one for every two learners.
- b) At least one AED Trainer for every four learners, but we recommend a ratio of one for every CPR manikin.
- c) Hygiene procedures for ensuring the safety of all learners e.g. Manikin face per learner or sterilisation procedure if shared, replacement airway/lung procedure.
- d) Minimum of one wound dressing and we would recommend one pair of nitrile/vinyl gloves per learner.
- e) Training venues suitable for learners lying and kneeling simultaneously e.g. carpets or protective kneeling mats.
- f) Outdoor environment risk assessment and suitable equipment for all learners must be available.

## **4. Centre Staffing**

### **4.1 Tutor Credentials**

#### **Introduction**

Most Centres are anticipated to employ staff who are both tutors and assessors of the qualification although the tutor and assessor roles can be undertaken by two suitable individuals.

ITC application and qualification delivery approval requires Centres to identify:

- a) A nominated individual to lead the qualification delivery team in the Centre.
- b) Tutors with a teaching and occupational competency.
- c) Internal quality assurance staff who are competent at moderation/verification. Evidence of competence is provided either by holding a Level 4 Award in Internal Quality Assurance of Assessment Processes and Practice (RQF) or equivalent - see appendices for a list of acceptable qualifications.

**Individual requirements**

Centres are expected to have an appropriate number of suitable tutors with:

- a) Teaching / assessing experience who hold a teaching qualification.
  - i. Level 3 Award in Teaching and Assessing First Aid Qualifications or equivalent or above.
  - ii. See appendices for a list of acceptable qualifications.
- b) Occupational area qualification
  - i. Holding a current First Aid at Work qualification certificate (Centre of Ofqual, SQA Accreditation, Welsh Government regulated Awarding Organisation/Body)
  - ii. Holding a current Offshore First Aid certificate (HSE approved training provider).
  - iii. Current registration as a Doctor (with GMC), Nurse (with NMC), or Paramedic (with HCPC).
- c) Subject specific requirements:
  - i. Have held a Level 3 Award in Outdoor First Aid certificate (or equivalent).
  - ii. Have held an Outdoor Advanced First Aid certificate.
- d) Portfolio logbooks must be maintained:
  - i. Training Log normally showing at least 6 hours of training in the last six months and/or 36 hours of training in the last three years.
  - ii. Continuous Professional Development Log showing 6 or more hours per year, of which 6 hours in each three yearly cycle must be identified Outdoor First Aid CPD.

There must be evidence of meeting these requirements on the ITC website ITC/Regulators to view.

**4.2 Assessor Credentials****Individual requirements**

Centres are expected to have an appropriate number of suitable assessors with:

- a) Assessing experience who hold an acceptable assessing qualification:
  - i. Level 3 Award in Teaching and Assessing First Aid Qualifications or equivalent or above.
  - ii. See appendices for a list of acceptable qualifications.
- b) Occupational area qualification:
  - i. Holding a current First Aid at Work qualification certificate (Centre of Ofqual, SQA Accreditation, Qualifications Wales regulated Awarding Organisation).
  - ii. Holding a current Offshore First Aid certificate (HSE approved training provider).
  - iii. Current registration as a Doctor (with GMC), Nurse (with NMC), or Paramedic (with HCPC).
- c) Subject specific requirements:
  - i. Have held a Level 3 Award in Outdoor First Aid certificate (or equivalent).
  - ii. Have held an Outdoor Advanced First Aid certificate.
- d) Portfolio logbooks must be maintained:
  - i. Training Log normally showing at least 6 hours of assessing in the last six months and/or 36 hours of assessing in the last three years.
  - ii. Continuous Professional Development Log, of which 6 hours in each three yearly cycle must be identified Outdoor First Aid CPD.

There must be evidence of meeting these requirements on the ITC website for ITC/Regulators to view.

**4.3 Internal Quality Assurer Credentials****Individual requirements**

Centres are expected to have an appropriate number of suitable internal quality assurers with:

- a) Internal Quality Assurance experience who hold an acceptable internal quality assurance qualification.
  - i. Internal Quality Assurance Award or equivalent.

- ii. Experienced Internal Quality Assurer who has attended an Awarding Body CPD event.
- iii. See appendix 3 for a list of acceptable internal quality assurance qualifications.
- b) Occupational area qualification
  - i. Holding a current First Aid at Work qualification certificate (Centre of Ofqual, SQA Accreditation, Welsh Government regulated Awarding Organisation/Body).
  - ii. Holding a current Offshore First Aid certificate (HSE approved training provider).
  - iii. Current registration as a Doctor (with GMC), Nurse (with NMC), or Paramedic (with HCPC).
- c) Portfolio logbooks must be maintained:
  - i. Training/Assessing/IQA Log.
  - ii. Continuous Professional Development Log.

There must be evidence of meeting these requirements on the ITC website ITC/Regulators to view.

Internal Quality Assurance requires the nominated individuals to have:

- a) Current knowledge of the requirements of the qualification they are quality assuring.
- b) Knowledge and understanding of the role of assessors.
- c) Monitor all teaching and assessing staff regularly - minimum 6 hours annually.
- d) Perform or lead other IQA activity e.g. Deliver/organise standardisation events, develop and maintain sampling plans.

## 5. Learner Registration

### 5.1 Selection of Learners

There are no prerequisite entry requirements (literacy, numeracy or ICT) for this qualification. The suggested appropriate level of literacy for this qualification is the ability to read and understand straightforward ideas and information presented in writing in order to be able to answer questions based on their content (based on SCQF L4 Literacy Unit).

Centre staff and prospective learners can view sample assessment materials, indicating the level of literacy, in Section 6 of this document. The sample assessment materials provide an indication of the type and wording of assessment.

Each Centre should have and implement a reasonable adjustment and special consideration policy. These systems and the resulting data must be made available for quality assurance purposes.

### 5.2 Information to Learners

Pre-course information should be provided to learners containing:

- a) Joining details.
- b) ID requirements.
- c) Expectations of course members, including taking part in supporting and transporting loads.
- d) Outline of assessment methods.
- e) Link to ITC policies and procedures on homepage of ITC website, including Appeals (P5) and Complaints (P16) procedures.
- f) Information on how to request reasonable adjustment to assessment so that learners have a fair assessment opportunity.
- g) Contact details for their course tutor or mentor.

## 5.3 Registration of Learners

Centres must meet the following requirements;

- a) Learners must be registered with ITC within 10 working days of course completion date.
- b) Learner registration details must be entered into ITC WebOffice database.
- c) Centres must have procedures in place to confirm the identity of each Learner before they undertake an assessment.

## 5.4 Learner Identity

Learners must be informed of the requirement to bring suitable identification to the training course [and assessment if not assessed on the day of the course].

## 5.5 Learner Progression

- ITC Certificate in First Aid for Sport, Exercise & Fitness at SCQF Level 6.
- ITC Certificate in First Aid at Work at SCQF Level 6.

# 6. Assessment

## 6.1 Assessment of the Units

Skills and knowledge are assessed in each unit.

Evidence of meeting each assessment criteria is required.

The assessment evidence is generated by practical examination throughout the course by the tutor and by end of unit multiple choice question examination.

## 6.2 Assessment Tasks

### Skills

The skills of each learner are continuously assessed by practical examinations throughout the course.

- Learners must perform all the **practical** techniques described in the learning outcomes of each unit to pass.
- Simulation is permitted.

### Knowledge

The knowledge of each learner is assessed by an end of EFAW unit multiple choice question examination.

- Duration: 10 minutes.
- Pass mark: 6 out of 10 for the examination.

A typical question follows the format:

- Q. *Which of the following would best describe signs associated with internal bleeding?*
- a) *Warm skin, slow pulse, red face*
  - b) *Cold skin, slow breathing, dry face*
  - c) *Cold skin, fast breathing, pale face*

## 6.3 Internal Assessment

Centres must have verification/moderation systems to ensure all assessment evidence is authentic, reliable, valid and sufficient and standardisation systems to ensure all staff can make consistent and fair assessment decisions.

Practical competency is to be recorded by the Internal Assessor on the ITC assessment plans produced by ITC or a similar Centre generated document approved by an ITC External Quality Assurer.

Knowledge is assessed by multiple choice question examination using the documents provided by ITC.

Assessment results are to be recorded upon ITC assessment plans or similar Centre generated documents as approved by an ITC External Quality Assurer.

To assist in collecting authentic, reliable, valid and sufficient evidence ITC has developed and is continually updating evidence recording documents. The updated version will always be available from Support Resources on the Centre Web-Office. Including:

- A1.31 EFAW Assessment Plan
- A1.01 FAOIM Assessment Plan
- A4.01 OFA Qualification Assessment Specification

Knowledge competency.

Examination documents are to be opened by the learners at the venue, at the time of assessment and marked by the IA.

Examination answers are to be returned to ITC within 10 working days of course completion.

If learners do not meet the standard the Centre will make arrangements to allow the learner a referral opportunity. This must be completed within 9 weeks of the original course start date.

If the referral is not passed then the learner will have to redo the whole training course and undergo the full assessment again.

## 6.4 Internal Quality Assurance

Assignment evidence is to be internally quality assured following ITC centrally produced procedures [Appendix document listing of this document] or procedures agreed with ITC External Quality Assurance.

To assist Centres in this function the following documents are available on the Centre Web-Office.

- A1.31 Assessment Plan
- A1.01 Assessment Plan
- PR6 Annual Review of Tutor/Assessor (Appraisal & Verification Evidence)
- FAAAS First Aid Annual Assessor Summary (Appraisal & Verification Evidence)
- IQA1: Internal Quality Assurance Process
- IQA2: Centre Standardisation Records
- IQA3: Internal Quality Assurance Sampling Record
- IQA4: Internal Quality Assurance Sampling Report Record
- IQA5: Internal Quality Assurance Record Form.

## **7. Supporting Resources for Delivery**

### **7.1 Website Support Resources List**

Available via Centre Login to Centre Web Office space.

## **8. External Quality Assurance**

### **8.1 Procedures**

Centres will be notified of proposed external quality assurance events/visits, except for the regime of unannounced visits.

As well as viewing assessment procedures and judgements the visit will include:

- a) Confirmation of all policies and documented procedures after initial pre-visit desk research.
- b) A review of the evidence of Centre internal quality assurance and staff development events.
- c) A review of Centre Policy implementation evidence including pre-course information and reasonable adjustments/special consideration record. This review to include a review of Centre IQA of these procedures.
- d) A review of the evidence generated from previous external quality assurance events, including action plan evidence.
- e) A review of learner assessment evidence.
- f) Any guidance required to administer or deliver the qualification.

### **8.2 Visit Details**

Centres will be allocated an External Moderator/Verifier. For each visit:

- a) The Centre will normally be notified in advance to allow time to make suitable arrangements.
- b) The agenda for the meeting will be forwarded to the Centre.
- c) The meeting will occur on the planned date.
- d) Preliminary action plans will be drafted for agreement and review at the time of the Centre visit.
- e) Action Plan evidence will be generated according to the specified timescale by the Centre and approved or referred by ITC.
- f) Risk rating will be applied to each Centre.

Centres visits will usually be planned to coincide with qualification delivery and assessment and the ITC EQA will observe teaching, assessing, internal quality assurance activity as appropriate.

Centre visits report will be archived on the ITC website for all Centre staff to review and meet any action plan deadlines.

**Occupational Knowledge and Competence in First Aid****Appendix 1**

All trainers, assessors, internal quality assurers and external quality assurers must have occupational knowledge and competence in first aid.

**This may be evidenced by:**

- Holding a qualification issued by an Ofqual/SQA Accreditation/Qualifications Wales/CCEA Regulation recognised Awarding Organisation/Body (or equivalent<sup>1</sup>) as follows:

| <b>Qualification delivered:</b>                           | <b>Minimum qualification to be held by the Trainer/Assessor/IQA/EQA: <sup>1</sup></b> |
|---|---|
| First Aid at Work or<br>Emergency First Aid at Work       | First Aid at Work   |
| Paediatric First Aid or<br>Emergency Paediatric First Aid | Paediatric First Aid or First Aid at Work   |

***Or***

- Current registration as a Doctor with the General Medical Council (GMC)<sup>2</sup>

***Or***

- Current registration as a Nurse with the Nursing and Midwifery Council (NMC)<sup>2</sup>

***Or***

- Current registration as a Paramedic with the Health and Care Professions Council (HCPC)<sup>2</sup>.

<sup>1</sup> if the trainer/assessor/IQA/EQA holds a non-regulated first aid qualification the awarding organisation/body should undertake due diligence to ensure current occupational knowledge and competence.

<sup>2</sup> registered healthcare professionals must act within their scope of practice and therefore have current expertise in first aid to teach/assess the subject.

## Acceptable Training/Assessing Qualifications

## Appendix 2

This list is **not exhaustive** but provides a guide to acceptable training and/or assessing qualifications. Trainers who also assess learner competence must hold a qualification (or separate qualifications) to enable them to perform both functions.
